As the incoming President of Evergreen Education Foundation (EEF), I am delighted to greet you and wish you Happy Holidays on behalf of all members of the Board, Staff, and volunteers. In my short 33 months with the Foundation, what has consistently impressed me the most and stands out beyond all else at EEF is PASSION. Each person I have met cares deeply and genuinely about bringing relevant educational opportunities to children and teachers in rural China. I am honored to be part of such a committed community. I have a deep appreciation for the over 18 years of rich history and countless accomplishments under the stewardship of our Past President Prof. Faith Chao as well as the dedication and hard work by all the EEF volunteers and staff. Having worked in both the for-profit world and the not-for-profit world, I know that there is no greater reward than the opportunity to work with passionate volunteers in an outstanding organization.

I am fortunate to be leading the Foundation at a time of great opportunities. The year 2019 is going to be exciting for the Foundation. We have planned the following:

- A series of 3 Project-Based Learning and Design Thinking STEAM\* Workshops,
- Continuing STEAM small projects,
- Continuing Oral History small projects and workshops,
- Continuing the promotion and encouragement of information, science, and health literacy,
- Summer webinars for EEF students with domain experts in USA
- Bridging East & West public libraries, and
- A new website!

This year, we aim to serve you, our EEF donors and friends, better by keeping you up-to-date and engaged with Foundation projects and programs through news blogs on our new website. The site enhancements will allow us to communicate and share with you on our most recent projects in a timely manner.

I have a favor to ask. Updating your contact information will be key to expanding and improving our communication with you. This update can be done by filling in your most current contact information on the attached contact slip and mailing it back in the stamped envelope provided. EEF recognizes and appreciates all the donations you have made and help you have provided to the Foundation. Your commitment to our Foundation is essential to our past and future success! In the coming year I am committed to continuing the legacy that Prof. Faith Chao began while also exploring new opportunities for EEF. We need your help grow our Foundation projects and programs.

I sincerely hope you will also pledge your support to our effort by donating, volunteering, or helping us recruit talents whom you think might be interested in any of the projects listed above within your network. We invited you to interact with EEF in your preferred modes.

I am eager to see how much we can accomplish together in the next year in bring education opportunities to the children in rural China.

Best wishes during the Holiday Season.

Sincerely yours,

*Winnie Wong, Ph.D.*
